**“De Gevleugelde Stad Ieper (City of Wings Ypres)”** is an international promotion festival for street theatre and contains two parts: the promotion festival on the street and an indoor trade fair.

During “De Gevleugelde Stad Ieper (City of Wings Ypres)” Belgian and foreign street artists - professionals, semi-professionals and new talent - can promote and present themselves and their (new) show to organizers/promoters, who are especially and personally invited. All interested street artists can register. The organisation - assisted by a advisory committee - selects the artists who can take part.

**On the promotion festival** (in the historical centre and on the ramparts of Ypres) the artists play their shows for the present organizers/promoters. This festival is also free accessible for everyone else, to give the artists a great and needed audience.

**The trade fair** is a meeting point between artists and organizers/promoters. The stands are reserved for partners of “De Gevleugelde Stad Ieper (City of Wings Ieper)” and artists (or their representatives) who are **SELECTED** for the current edition of the festival. This fair is only accessible for artists and organizers/promoters.
