**“De Gevleugelde Stad Ieper (City of Wings Ypres)”** is an international promotion festival for circus and street theatre and contains two parts: the promotion festival on the street and an indoor trade fair.

During “De Gevleugelde Stad Ieper (City of Wings Ypres)” Belgian and foreign street artists - professionals, semi-professionals and new talent - can promote and present themselves and their (new) show to organizers/promoters, who are especially and personally invited. All interested street artists can register. The organisation - assisted by a advisory committee - selects the artists who can take part.

**On the promotion festival** (in the historical centre and on the ramparts of Ypres) the artists play their shows for the present organizers/promoters. This festival is also free accessible for everyone else, to give the artists a great and needed audience.

**The trade fair** is a meeting point between artists and organizers/promoters. The stands are reserved for partners of “De Gevleugelde Stad Ieper (City of Wings Ieper)” and artists (or their representatives) who are SELECTED for the current edition of the festival. This fair is only accessible for artists and organizers/promoters.
